June 21, 2023

Recently the board has become aware of the allegations made by Ms. Hsinyu (心語) against former board member Mr. TENG Biao. These allegations are disturbing and we take them very seriously.

Mr. Teng Biao resigned voluntarily from the board on June 12, 2023.

Humanitarian China strongly opposes acts of sexual misconduct against any person. The board is committed to upholding personal and professional integrity in continuing to serve the community of Chinese dissidents and activists in our pursuit of human rights, democracy and freedom in China.
